

Chrome plated steel construction

Exclusive quick-connect handle for UPS shipping

Two speed operation

Built-in safety shut off

Triple idler planetary gear drive

50 ft. power cord

Heavy-duty wrap around bumper

UL listed for commercial use

FLOOR MACHINES

Sanitaire® floor machines are UL listed and built to last with chrome plated steel housings. Twin capacitor and two-speed motors provide the extra torque to confidently use on carpet or bare floors. The exclusive quick-connect handle reduces the package size by 40% allowing for convenient UPS shipping. This provides savings in shipping and inventory cost. Additional features include a triple idler planetary gear box, 50 ft. power cord, the option of two speeds and a safety shut off switch.
