

Air Movers

Ideal for carpet drying and restoration projects.

These Sanitaire® Air Movers provide high performance and durability. A three-speed switch allows you to choose the right power level for the job. The powerful ½ HP motor makes these Air Movers ideal for carpet drying and restoration projects. They come with a 20-ft. power cord and are ETL listed for commercial use. Choose model SC6051 with an easy-carry handle or model SC6052 with wheels and a telescoping handle for more portability.
